

BIO303
Unit 4 Answer Key

1. C
Refer to the reading, "Language Development" (subunit 4.1.1).
2. A
Refer to the readings under "Critical Periods" (subunit 4.1).
3. B
Refer to the readings under "Hebb's Postulate" (subunit 4.2).
4. D
Refer to the readings under "Hebb's Postulate" (subunit 4.2).
5. A
Refer to the reading, "Apoptosis and Necrosis" (subunit 4.3.1).
6. C
Refer to the readings under "Neuronal Death in Injury" (subunit 4.3).
7. D
Refer to the reading, "Excitotoxicity" (subunit 4.3.5).
8. A
Refer to the reading, "Excitotoxicity" (subunit 4.3.5).
9. A
Refer to the readings, "Axonal Regrowth" (subunit 4.4.1) and "Peripheral Nerve Regeneration" (subunit 4.5.1).
10. C
Refer to the readings, "Axonal Regrowth" (subunit 4.4.1) and "Peripheral Nerve Regeneration" (subunit 4.5.1).
11. D
Refer to the reading, "Stem Cell Replacement" (subunit 4.4.3).
12. D
Refer to the reading, "Apoptosis and Necrosis" (subunit 4.3.1).
13. A
Refer to the reading, "Excitotoxicity" (subunit 4.3.5).
14. C
Refer to the reading, "Stem Cell Replacement" (subunit 4.4.3).
