2. False. For more information on Judy Chicago, please review the reading in sub-subunit 7.4.2.
3. For example, (your answer should touch on most, if not all, of the following features):

Jean-Michel Basquiat's highly expressive paintings represented the return of painting and the figure in high art, following two decades in which Conceptual art and Minimalism had largely dominated the gallery scene and art market. But with the arrival of Basquiat and other Neo-Expressionist artists, the human figure as subject and oil and canvas as medium were once again embraced on a large scale. Basquiat's art also helped legitimize, to a degree, the visual style and counter-culture practice of graffiti art.
