Use the word cloud to fill in the blanks with the correct answers. Here are some guidelines that may help you:

- Each blank in the answers represents one word. Two or more blanks without commas represent phrases.

To complete this assessment, you should attempt to fill in questions after completing each unit, although you may need to skip some until you have more clues. (The questions are arranged chronologically by unit and cover chapters 8–15 in the textbook. However, knowing this may not be enough for you to figure out the answers, since where one unit ends and the next begins is not identified.) All of the answers should be filled in by the end of the course. Once you have finished this assessment, check your answers with the Saylor Foundation’s Legislation and Regulation Answer Key 2.
